- The data contained in this parish workbook has been gathered over the past twenty years from your parish and other parishes across the Archdiocese.
- This parish workbook should be used as an internal planning tool to help shape your reflections on the current strengths and opportunities for future growth of ministry and evangelization in the future.
- To help ensure accuracy of information, parishes are requested to limit the distribution of the information contained in this parish workbook to the pastor, parish staff, key parish leaders, and key advisory bodies. Information summarizing this data will be made available in the fall 2022 for parishioners across the Archdiocese.

ALL THINGS NEW PRAYER

Heavenly Father, you sent your Son Jesus as the first Evangelizer of the Good News.

Send forth the power of the Holy Spirit upon the Church of St. Louis and grant us the gift of true discernment so we may do your will in all things.

Help us be totally free to follow wherever you lead us, totally generous to be good stewards of your many gifts, and totally passionate to suffer all in order to be more closely united to you.

Commissioned by your Son and empowered by the Spirit to “Go and Make Disciples of all Nations,” strengthen us by the power of your grace as we bring the Good News of Salvation into the lives of all those we touch, so that individual hearts and all of society may be converted to you and all things might be made new.

Inspired by the apostolic zeal of previous generations, as we begin the process of planning for the future, may our only desire be to do all things for the greater glory and honor of your name and for the good of your people in the Archdiocese of St. Louis.

Through Christ our Lord.
Amen.

GUIDING TEXTS

REV. 21:3-5

I heard a loud voice from the throne saying, “Behold, God’s dwelling is with the human race. He will dwell with them and they will be his people and God himself will always be with them.

He will wipe every tear from their eyes, and there shall be no more death or mourning, wailing or pain, the old order has passed away.”

The one who sat on the throne said, “Behold, I make all things new.” Then he said, “Write these words down, for they are trustworthy and true.”

GUIDING TEXTS EVANGELII NUNTIANDI (#18)

For the Church, evangelizing means bringing the Good News into all the strata of humanity, and through its influence transforming humanity from within and making it new: "Now I am making the whole of creation new."

But there is no new humanity if there are not first of all new persons renewed by Baptism and by lives lived according to the Gospel.

GUIDING TEXTS JOY OF THE GOSPEL (#27)

I dream of a “missionary option”, that is, a missionary impulse capable of transforming everything, so that the Church’s customs, ways of doing things, times and schedules, language and structures can be suitably channeled for the evangelization of today’s world rather than for her self-preservation.

OUR DIOCESE
ARCHDIOCESE OF ST. LOUIS

ABOUT OUR DIOCESE

- The Archdiocese of St. Louis is 178 parishes encompassing the City of St. Louis and 10 surrounding counties – a large and diverse territory: urban, suburban and rural.
- Our local church has been declining for several decades as older Catholics die and there are insufficient number of young Catholics to take their place.
- This is best exemplified by the significant decline in the number of births and baptisms in our diocese.
- As our Catholic population has moved from the city to the near suburbs and from the near suburbs to the farther out suburbs, this has resulted in too few priests in large parishes and too many priests in small parishes.
- Our diocesan priests are aging and number of priests to serve our Catholic population is declining.
- Over the past decade, Mass attendance has been on a steady decline. The long-term implications of COVID are unknown, but the rebound in Mass attendance from 2020 to 2021 still leaves us 25% below pre-COVID levels.

OUR TERRITORY FOR EVANGELIZATION

OUR CATHOLIC POPULATION CONTINUES TO DECLINE

- In 2021, the number of Catholics in the Archdiocese of St. Louis dipped below 500,000 for first time since the 1960s.
- We have more baptisms than funerals and we have nearly 1,000 enter the church each year. Our numbers should be growing by 2,000 per year.
- As many as 5,000 Catholics are “leaving” the Church – OR – not re-engaging in the Church after high school or college.

OUR CATHOLIC POPULATION IS AGING RESULTING IN FEWER YOUNG PEOPLE

The Landscape in the United States

- In the last decade, the percentage of the adult population claiming no religious affiliation (the “nones”) grew from 17% to 26%.
- In the last decade, the percentage of the millennial population claiming no religious affiliation grew from 27% to 40%.

The Landscape in the Archdiocese of St. Louis

Our baptism and marriage trends reflect the national landscape, as they are half of what they were 20 years ago.

WEEKLY SUNDAY MASS ATTENDANCE CONTINUES TO DECLINE

- Prior to the COVID-19 pandemic, Mass attendance was declining between 0.5% to 1% per year.
- Mass attendance hit a record low in October 2020 which is attributed to the COVID-19 pandemic.
- While Mass attendance in October 2021 showed a significant increase from 2020, it was still 25% lower than Mass attendance in October 2019.
- In 2019, only 33% of our pews were occupied during the typical weekend Mass. By 2021, only 25% of our pews were occupied during the typical weekend Mass.

FEWER BAPTISMS HAVE RESULTED IN FEWER CHILDREN IN CATHOLIC SCHOOLS AND PSR

- Though we educate a higher percentage of children in our Catholic schools than nearly any other diocese (37%), enrollment continues to decline.
- During the last decade, PSR enrollment has declined faster than day school enrollment.
- Our current model of Catholic elementary schools cannot continue.
 - Only 40-50% of our elementary school children live in the boundaries of their parish school.
 - The cost to educate our students continues to outpace tuition increases.
 - Parish investment in our schools continues to absorb an increasing percentage of parish funds available to support other parish ministries.

OUR PRIESTS ARE AGING

- 35% of our diocesan priests (74 priests) serving in parishes are 65 years of age or older.
- These 74 priests could retire in the next 10 years.
- Though priests' retirement age is 75, the average of retirement for our diocesan priests has been 71.
- By 2026, we will have fewer diocesan priests to serve in parishes than the number of parishes we have.
- Our largest parishes will still need to be served by 2-3 priests.

* Excluding retired priests resident in parishes

OUR PLANNING AREA
PLANNING AREA #3

OUR TERRITORY FOR EVANGELIZATION

ABOUT OUR PLANNING AREA

- The planning area is in St. Louis City. The geography of this area is defined by three Interstates (64, 44 and 70), the Mississippi River and the St. Louis County border at the southern boundary.
- Located in the South City deanery. There are 17 parishes (9 territorial and 8 personal), two chapels, and one oratory. Four elementary schools are in this planning area. Currently there are 15 diocesan and 14 order priests assigned to this group.
- Clusters of parishes and church buildings are a short distance from each other.

OUR PLANNING AREA IS VERY DIVERSE AND INCREASING IN IMMIGRANT POPULATIONS

- After declining for several decades, total population in the planning area in the 2020 census was up 1% from 2010.
- The racial/ethnic profile of this area reflects a growing Hispanic population (now 7%), a stable black population (34% - which includes African immigrants), a stable white population (49% - which includes Bosnians), and a growing Asian population.
- As the population has become increasingly diverse, now only 10% of the population is registered Catholic, which is lower than the Diocesan average of 18%.
- With the number of personal parishes and chapels, a significant number of Catholics live outside the planning area.
- Median household income in the area is \$46,795 which is below the archdiocesan average of \$60,700.

OUR PARISH
BASILICA OF ST. LOUIS, KING OF FRANCE

ABOUT OUR PARISH

The original parish of the City of St. Louis dates to 1770, six years after the founding of the city. The “St. Louis” parish church was rebuilt several times until the current Basilica of St. Louis was dedicated in 1834. The Basilica (commonly known as the Old Cathedral) is also a parish which outgrew its ability to serve the Catholic population and thus in 1845, 5 additional parishes were created for the City of St. Louis, 3 English speaking and 2 German speaking. The parish also opened a parish elementary school in 1844 which continued to operate until it closed in 1934.

The Old Cathedral remains a historic landmark for the City of St. Louis and for the Catholic Church located on the St. Louis riverfront. A multi-million dollar restoration of the Basilica took place during the past decade. The parish has 200 registered households and the church seats 545.

ABOUT OUR PARISH

- The parishioners of the “Old Cathedral” live throughout the area.
- Parishioner households have been relatively steady while Mass attendance has been declining.
- Offertory has been relatively steady, but expenses of the parish have been higher than revenues and reserves have been declining as a result.

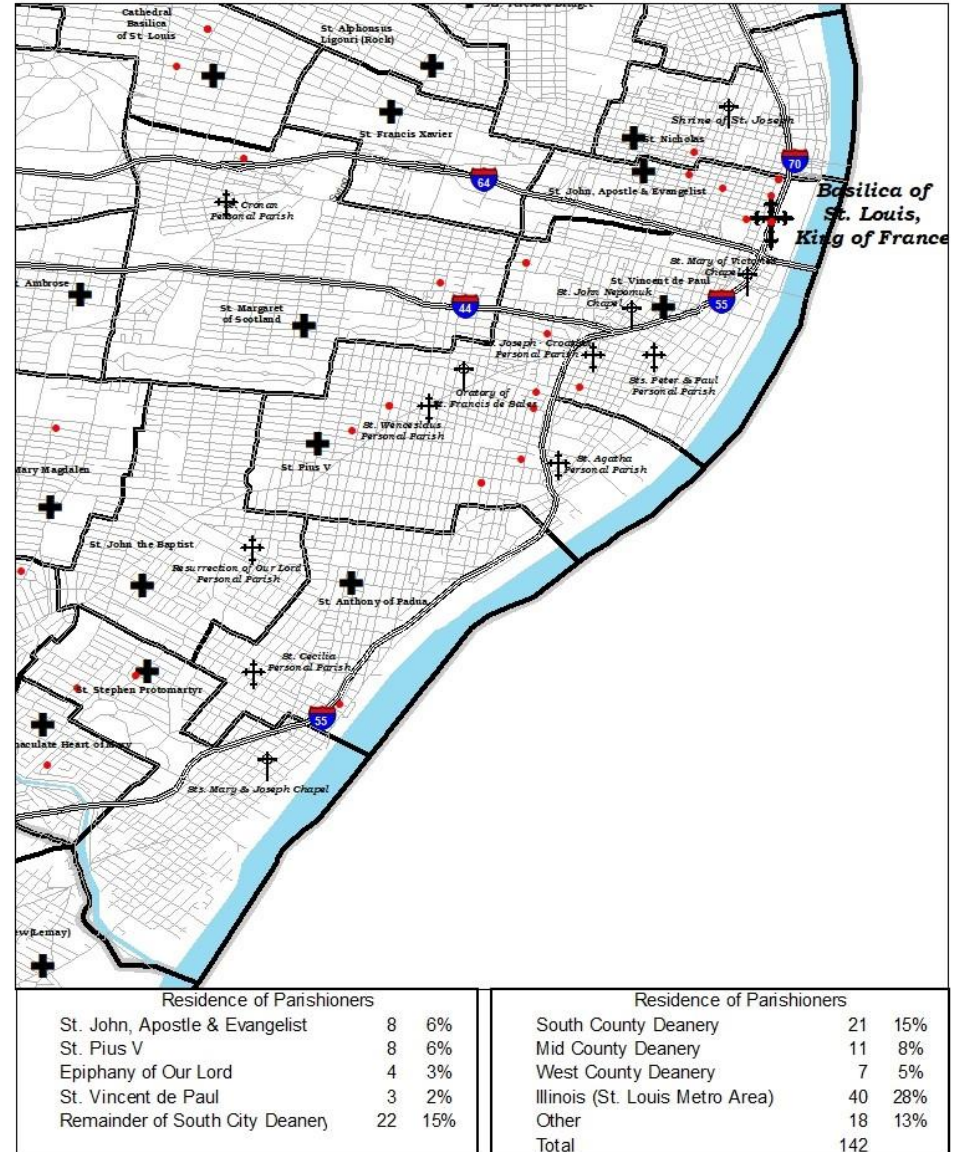

OUR PARISH IS A PERSONAL PARISH WHOSE PARISHIONERS LIVE THROUGHOUT THE DIOCESAN AREA

- As a personal parish, Basilica of St. Louis, King of France does not have a parish territory
- Located on the riverfront, the parish is attracting tourists and its weekday noon Mass is attended by downtown workers.

- Basilica of St. Louis, King of France - St. Louis
2021**

OUR PARISH SACRAMENTAL TRENDS

REGISTERED HOUSEHOLDS

- Parish membership has vacillated around 190-220 households during the past decade.

OUR PARISH SACRAMENTAL TRENDS

MASS ATTENDANCE

- Mass attendance as percent of capacity is below the archdiocesan average of 33% in 2019 and 25% in 2021.
- Pre-COVID Mass attendance as percent of registered parishioners is not meaningful because at over 100%, it reflects the fact that many Sunday worshippers are visitors and tourists.

OUR PARISH SACRAMENTAL TRENDS

BAPTISMS, FUNERALS, & K-8 RELIGIOUS FORMATION

- The parish has many non-parishioner baptisms which contributes to the high number.

- The parish has had a small but consistent number of parishioner children in Catholic schools.

OUR PARISH FINANCIAL TRENDS

OFFERTORY CONTRIBUTIONS

- Offertory contributions have been relatively stable during the past decade.

OUR PARISH FINANCIAL TRENDS

INVESTMENT IN CATHOLIC SCHOOLS

- Up until the 2020-21 school year, Basilica of St. Louis was one of the financial supporters of St. Frances Cabrini Academy.

OUR PARISH FINANCIAL TRENDS

PARISH FINANCIAL CONDITION

- Expenses have generally been exceeding revenues during the past decade causing reserves to decline.
